**Additional
considerations**

GASBS No. 34 Government-wide Financial Statements

This attachment provides information to convert the Governmental Fund Statements (modified accrual) to the Government-wide Statements (full accrual). Also, the installment purchase obligation must be reported on the following two separate line items on the Statement of Net Assets: amounts due within one year and amounts due in greater than one year.

LAS and FAACS

Agencies should ensure that installment purchases are NOT included in the Lease Accounting System (LAS) and that the fixed assets acquired through these installment purchases are properly recorded in FAACS.

Audit

For audit purposes, prepare and maintain a separate listing of assets acquired under outstanding installment purchases.
